THE LATEST FANTASY ACTION RPG GAMES Elden Ring War A new fantasy action RPG game on the rise, featuring a battle system that has never been seen before. The 13th Black Falcon Clan: The first large-scale imperial war of the numerous guilds of Black Falcon Clan has begun. As one of the members of the Black Falcon Clan, you must lead your own soldiers and take part in the war. Follow the story of Galahad, and the secret of the White Falcon Clan: The most powerful hero in the Lands Between, known as the White Falcon, has disappeared. Start your journey as Galahad! May your ultimate duty be to the dead! Altanic: Knights of the Blood Altanic is a hack and slash RPG in the vein of Dynasty Warriors and Kingdom Hearts. Lead a group of famous warriors, each with unique traits and a new and original special attacks, to eliminate the enemies of the kingdom. NEW! PERSONAL TACTICS! The battle system of Altanic is based on the "Single Blow" principle. The players can perform special attacks and various kinds of attacks on their enemies by linking special techniques. PERSONALIZED SKILLS! Every character in Altanic has its own unique skills and abilities. Are you a strong fighter? Throw an explosive spear! A highly trained archer? Arrange multiple arrows and use them to eliminate the enemies! CLIMAX FIGHT! The battle has taken a new form, and the enemies no longer exist as weak "Champions". The battle has been turned into a battle between heroes, and the greatest glory is achieved when you defeat the enemy. PERSONALIZED FORTIFICATIONS! Some heroes have the ability to create fortifications, and they can also attack and destroy enemy fortifications. The timing is crucial! May the guard dogs have their throats ripped! The battle between the camps in Altanic has begun and, in one day, you will awaken as the only survivor. You will have to fight in order to establish a balance between the two camps. Climaxes await you! Key Features: [Single Blow] The heroes that you fight are strong, and each hero has different special attacks. You must fight them one-on-one, and defeat them in order to acquire their valuable techniques! [Personal Tactics] The battle is completely different from Dynasty Warriors or Kingdom Hearts. In order to achieve the

About Tarnished: Tarnished is a Japanese game firm that excels in producing RPG games. There are great titles from Kyodaiyojo in Japan such as The Legacy of Lunatic Gabbi (1992) and Heartsman in Europe such as Steamborn (2003). The company also acquired Net Yaroze in Asia with its D of G, while simultaneously forming a new company called TLG with D of G. It is the latter that is developing Tarnished, and its writer and scenario designer is Haseya Kenji.

Epic Scale of the World:

The Lands Between are vast with complex structures and deep dungeons, and many interesting characters live. Not only that, there are a great many passages that allow you to travel, and travel is convenient even in an intense combat environment. A brand new setting of Kyodaiyojo that you don't know; the Ultimate Fantasy RPG that Tarnished is about is an entirely new fantasy featuring the best party members in the world.

Convenient, Distant Plays

Make your independent, solo play more fun by letting you travel with others. While traveling in other people's party, you can obtain quests from traveling companions. You can also change the dialogue, skill, magic, dress and ability of your allied party members. You can also decide when and where to party,

Overall a pretty good game. A solid attempt at a pen and paper RPG. It does everything a B&M RPG should. It has a story, it has pretty well drawn characters, it has a well written voice acting that fits the story and it is not a shell that can only do one thing. The on line aspect is another well done thing that adds to the story, the voice acting and the customization factor of the game. Overall: this game is definitely worth a look and the 7.6 I gave it is no reflection on what the other reviews put out there. What's new in Elden Ring:

28 Mar 2014 03:41:01 +0000Gamer by Gamer The ranks of SKELETONS are rising again. Villages are being pillaged and cities are demanding the help of the strongest warriors for defense. The land trembles in horror as Gods from fire, wind, and water begin to stir, their true nature forever known. Adventurers from all four nations are drawn to the Land of One Moon. They seek to meet the challenge head on and brace themselves for the trouble that surely lies ahead. Elements Battle-scarred, the heroes of The Land of One Moon ally themselves with other Warriors of the Elden Ring (simple transformation into a “Myth”) and other Heroes from the four nations and they fight against the forces of Destruction. Elemental Art Unleash the powerful spell-like powers of magic, meteor, wind, fire, water, lightning, poison, and beast. In melee, choose to attack with the sword, spear, hammer, axe, bow and arrow, or bow and arrow while in magical form. Battle Formation Prepare your party for battle in 3 different formations. Berserker formation: Combines two stationary and 3 mobile kinds. Battle formation: Wide-type romp formation that is a mix of Hammer formation and roulette formation. Side formation: 3 mobile kinds that keep a distance that is appropriate for each kind. Various Monster Ranks The monsters in The Land of One Moon can be classified in 3 different ranks: Icon, Warrior, and Giant. Icon: The monsters of the finest quality that are being influenced by the sentiment of those whom they are close to, a role that can vary between those who are friendly (guests) or aggressive (hosts). Warrior: Hordes of monsters that gather and form as groups under special conditions, such as when they have overflowed sea and land.
