In the weeks leading up to the release of the game, we'll take a look back at the most surprising and funny moments of our in-game community content, as well as take a look at some of the bigger talking points of the season, before looking forward to our Player Ratings and the big three events: Draft, FUT Champions and of course, the FIFA World Cup™. A Football Life: We talk to Fire Pro Series players, FIFA Pros, 14 clubs and more. Be sure to watch the video on the official EA SPORTS FIFA YouTube channel - or our Facebook page. Fifa 22 Torrent Download Player Ratings: Sit in on training sessions and take an inside look at the latest EA SPORTS Fifa 22 Free Download player ratings. Available daily. FIFA Podcast: This week, as voted by you, we ask the burning questions to FIFA commentators Tim Vickery, Dan Mraz and Alan Smith. Available daily. The Football Life: This week's top videos: Nine Inch Nails' Everything, FIFA 22 Teaser, AC Milan, Juve, Aziz Ansari and the X-Files, FIFA Player Ratings, and more. Available daily. And I'm very happy to report that when I got home a few hours later, the First Runner picked me up in a Snowbird rental and, while the road was icy, she kept her cool and we made it home safely. Of course I'm not off the hook yet as I still have a mountain of housework to do, a book to read, family to see, and school in the morning. So, to keep things from getting out of hand, I'm starting with posts that are more like my Weekly Big Picture, consisting of mundane things like getting caught up with friends and family, and busy stuff like eating, seeing a movie, and keeping in touch with the outside world. And speaking of friends and family, I could swear I saw a poster for the New York Marathon to be held on April 16th at Central Park. Why the change of dates? I don't know. The subject has piqued my interest to the point that I'm trying to figure out when the original was held, so check back soon. The next post will be from my smartphone and will be a Friday-style review of the TV show "Boss Baby". Get ready for brain-free, pants-free, and hand-free fun for all. As you can see from my

EA SPORTS FIFA is a football franchise that has sold more than 80 million copies worldwide to date. The game is by far the best-selling FIFA simulation in the market and has been a massive success since its release in September 2004. Now for the first time, you can play EA SPORTS FIFA wherever, whenever and however you want. FIFA 22 matches the player's techniques and football spirit with a world-class engine and gameplay that delivers real-life intensity, accuracy and precision. FIFA 22 builds on the long-established FIFA experience, but pushes the game even further into new frontiers, addressing a wide range of new challenges in gameplay, player feedback and online connectivity. "FIFA 22 is the evolution of our FIFA game as we seek to continuously improve the game and keep fans engaged," said Frank Gillett, Head of EA SPORTS. "Building on the powerful momentum of FIFA 21, EA SPORTS FIFA 22 is the next generation in soccer simulation and EA SPORTS is proud to deliver another groundbreaking product to football fans worldwide." Multiplayer Experience The new FIFA 22 multiplayer engine is a massive leap in technology. Everything from shooting to passing, tackling to goal-scoring, is faster, smoother and more responsive, allowing players to exploit every strategy and counter-strategy available. FIFA 22 introduces a brand new melee system, a more varied and intelligent AI that is always looking to exploit weaknesses and play to your strengths, and a more realistic ball physics model that gives the ball more life, meaning that players can make better decisions and get more creative. FIFA 22 also provides an unrivalled online experience, and gives players more tools to share their expertise online. A new "dynamic marking" system features intelligent agents that take into account their immediate surroundings, providing players with a greater range of available cover and space. A tactical overview system now gives players a better picture of

upcoming matches, providing information on player data, formation and tactics. "Creating a true online match is a high priority for us," said Mike Dinn, Managing Director, Electronic Arts' North American Division. "The progress we've made with the FIFA franchise in recent years on the PC will help us achieve our goal of delivering an authentic and deep experience across platforms. Our new engine is the most advanced that has ever been implemented in a FIFA game, and provides the technology and infrastructure that will enable us to deliver amazing new online gameplay experiences for our millions of FIFA fans
