================== Hana-Awase, also known as Flower Matching, is a fun and exciting game played with hanafuda cards that involves three players. Players compete to create matching pairs and sets of the flower cards which is where the name Hana-Awase (Flower Matching) comes from. Players collect all the hanafuda cards that they are able to match. Once all cards have been played out then the round ends. Players compete for points based on the value of the cards that have been collected and the score of the yaku that they are able to make. You

will notice that some of the yaku are different than in Koi-Koi. Players will also be able to enjoy the original modes as well as new modes such as Fanatic and Challenge. *Note: This DLC is only available for single player mode. *Note 2: The new card types that are available in this DLC are not visible in multiplayer. *Note 3: You can use the correct key bindings to change the names on the new card types. *The new card types are not visible in the normal gameplay mode. *You can play the new card types in the fanatics and challenge modes. In the normal gameplay mode, you cannot get cards for the new card types. *You can watch "Hana-Awase" in the "Community Hit List". *This game is not endorsed by Capcom. D Game Details Description: Three-Dimensional Manicure Runners focuses on your ability to elevate a stack of nail polish from the Start to the Finish line with precisely timed button presses. It's as much of a mental game as a physical game. How To Play: Players must complete a round of manicures, then score based on how much of the given pattern they matched and how quickly they completed the round. Players can also choose what type of pattern to use and earn points for each nail, using an intuitive interface. When the pattern is a color, you must match the color you see on screen with the color of the nail polish you're wearing. When it's a pattern, you must match the pattern you see on screen with the pattern on the polish you're wearing. Game Controls: 0.5 controls for quick rotation or adjust vertical position 1 controls for movement (forward-back or left-right) 2-3 controls (resets to rest) 4 controls for precision (brushes position to more specifically align patterns) 5 controls for slower rotation 6 controls for fast rotation 10 Seconds objectives and rules: The game starts with a timer counting down from 10 seconds. For the duration of the game, you will complete a single manicure Manicures must be made one at a time, and must not overlap Manicures must be completed by touching the screen, not by pressing a button You begin with a single nail, and must polish all 10 nails for each manicure

To stop the game, tap the center of the screen You must spend 10 seconds matching the entire pattern Once you complete a manicure, you will receive a score based on how much of the pattern you have matched, starting with a low score for a close match, then a high score for a longer match, and culminating at a perfect score Score affects elements of the game play to ensure a fair experience for everyone Rating: PG 12 Players 3000 Points Skip to the Game Join hundreds of thousands of other players in a manicure race for glory.
